February 20, 2015

To: RM of North Qu'Appelle No 187

From: The residents of Jasmin on Echo

Dear Council,

Jasmin on Echo has a hearing with you at 10:30 am on Tuesday, Feb. 24. I would like to give you advance notice of the concerns and questions we would wish to have addressed at this time.

1) The issue of fire protection. The installation of fire hydrants in the development.

2) The paving of the road - Aaron Drive. At the meeting in October of 2013, we were told that a hard surface would be applied in the spring of 2014. This did not happen and we would like an explanation and time when this will be done.

3) The beach development. Are you going to do this and if not why? And if you do not feel that it is your responsibility could you provide us with the documentation to back this up.

4) We understand that the light standard at the entrance to our development has been denied. Why? And were they shown the danger that results from not having that light provided?

5) In the Service Agreement of the RM of North Qu'Appelle and Jasmin Developers point 6.5 if states that there is a designated area provided by the RM for the disposal of all garbage other than regular household waste. Can you please tell me where this designated sight is?

6) There is no street signage up as of yet for Aaron Drive.

7) As is our biggest request to become a part of The Resort Village of Fort San, we would like a written proposal from you outlining what requirements you will need to make releasing our development jurisdiction to that of The Resort Village of Fort San Council possible. We feel that being a part of a resort village would better represent who we are and what our development has to offer.

Kindest Regards

Lori Ennis for Jasmin on Echo residents
