The RM is contemplating a bylaw that would focus on the abuse of property. Property owners could be ticketed for storing or abandoning vehicles, trailers, storage facilities or other such items on RM property.

The RM is reviewing bylaws pertaining to enforcing the adequacy of new and existing drainage infrastructure within the flood plain. This is as a result of significant damage caused by the rapid thaw throughout the RM this past Spring
 - 5.3 Resort Village Transition Committee – Larry Bedel

Meeting/minutes from August 2nd suggested a Village Administrator be in place prior to December 1. Office space and the potential for use of shared administration resources is being looked at.

A financial review by Wayne Zerff of the Ministry will be undertaken as well as a review of service contracts with the RM that would apply to the new RV

Tulik Excavating will be contracted to clean debris from the entrances of culverts prior to freeze up. Based on an email response, 14 property owners asked for culvert servicing on or near their property. The cost would consume half of the \$10,000 budgeted amount.

Tree trimming is ongoing in a few areas and more work will be done after the September 1st ban comes off.
