

# **Committee to Investigate Hamlet of Pasqua Lake transitioning to a Resort Village**

## **Summary of the Investigation and Actions of the Committee**

The Investigative Committee was formed out of a motion at the 2019 Annual General Meeting of the Hamlet of Pasqua Lake. The committee met with Municipal Relations, SUMA, the District of Katepwa, and a number of members of the councils from the Villages of B-Say-Ta and Fort San.

Following the extensive review of the relationship and finances with the RM of North Qu'Appelle No 187 and the discussions with the previously mentioned bodies the Committee concluded that the transition to a Resort Village was viable.

Unfortunately, Covid 19 prevented the Hamlet of Pasqua Lake from proceeding with an Annual General meeting in 2020 where the committee planned to present their findings and hopefully get an approved motion to proceed with an application to become a Resort Village. Since the committee had completed the investigation and concluded that a move to a Resort Village was viable, the committee decided to go with a petition to the ratepayers of the Hamlet of Pasqua Lake to determine the willingness of the Community to transition to a Resort Village.

The committee was accepted openly by the ratepayers of the Hamlet of Pasqua Lake and received an overwhelming response with 369 ratepayers signing the petition to make application to become a Resort Village.

Following are the updates that were sent to the ratepayers of the Hamlet of Pasqua Lake following the completion of the petition:

### **Update as of October 28, 2020:**

Thank you for so many in our community for supporting the efforts of the Investigating Committee during the three weeks that the committee and other volunteers approached the community with a Petition to transition to a Resort Village.

Your discussions and support were overwhelming as 369 voters of the Pasqua Lake Organized Hamlet signed the Petition to transition to a Resort Village.

The Petition was presented to the Administrator of the RM of North Qu'Appelle No 187 on September 21, 2020. And was accepted and approved in a motion of the RM council on October 13, 2020.

The process now requires a public meeting be held to provide information to the public and receive written submissions for or against the transition to a Resort Village.

Unfortunately Covid 19 is presenting a challenge on when or how a public meeting can take place.

At this time we intend to meet with the RM Council to hopefully get their support for the Transition and have a motion placed on their records accordingly. If they provide support, the process to proceed with a transition to a Resort Village becomes easier and we can probably work closely with RM to

complete the transition. In addition it provides a working relationship where we can likely continue to contract RM services for road maintenance, etc.

The Town of Fort Qu'Appelle continues to support the move of the Resort Village Administration services through a contract to their Administration, if we become a Resort Village.

Look forward to information on a public meeting if and when the committee and RM can arrange one in a safe manner.

#### **Update as of January 25, 2021:**

Thank you again for so many in our community for supporting the efforts of the Investigating Committee as we have investigated the potential to become a Resort Village.

The Investigative Committee and The OHPL Board met with the RM of North Qu'Appelle council on December 17<sup>th</sup> for a closed session meeting to discuss the move to a Resort Village. There was a good open discussion at which many points of view were expressed. Our committee closed by indicating that the committee as Representatives of the Petitioners would make an Application to Saskatchewan Municipal Affairs to become a Resort Village and requested the RM to support our efforts. The RM reserved comment on their support or non-support until future RM meetings.

At the OHPL Board meeting on January 17, 2021 a motion was passed to move from an Investigative Committee to a Planning Committee to make Application to Municipal Affairs to become a Resort Village.

The process still requires a public meeting be held to provide information to the public and receive written submissions for or against the transition to a Resort Village. The current plan is to hold a public meeting in May or June. If Covid continues to be restrictive it can maybe be held outside at Lutherland. The Planning Committee has started work on the Application and plans to have much of the documentation prepared over the next 3-4 months prior to the Public meeting so that many of the questions that may come from a public meeting can be answered with definitive answers.

Following the public meeting, it is planned that the Application will be submitted to Municipal Affairs in August or early September. And look forward to get the Ministry approval for Incorporation for a start of the Resort Village on January 1, 2022.

Thank you again for the outstanding support from the community and we look forward to seeing many of you at the public meeting in the spring.

#### **Planning Committee to Transition the Hamlet of Pasqua Lake to a Resort Village**

##### **Our Reasons are:**

- There is a need for representation at the local level.
- There is a need to have an Official Community Plan, zoning and other bylaws that support the approval of the ratepayers and are complementary to the lake setting.

- There is a need and the time has come to assume our own identity and be governed by elected people who share a common interest.
- There is a need to control and funnel our resources in a direction which will contribute to the sustainable future of Pasqua Lake and its shore lands.
- There is a need to allow a Resort Village Council to plan development that is complementary and futuristic to the lake setting around Pasqua Lake.
- There is a need to have control over taxation and infrastructure development that is suited to a Resort Village municipal structure.

#### **Community Cooperation on Emergency Preparedness and Reciprocal Agreements:**

- Firefighting reciprocal agreement.
- Emergency preparedness cooperation.
- Reciprocal agreement on sewage lagoon sharing for emergency purposes and/or maintenance requirements.
- Reciprocal agreement for joint use of the existing landfill

#### **Benefits of Transitioning to a Resort Village**

1. All decisions will be made by Pasqua Lake property owners whereas today the Hamlet Board can make recommendations but has no authority.
2. The ability to accumulate grants over a five year period for larger projects whereas under the RM they are used yearly which is much less efficient.
3. The ability to create short and long term planning for capital projects and financial planning.
4. Under the guidance of SUMA(Urban) instead of SARM (agriculture), the support for a Resort Village would be superior to that provided by the RM under SARM.
5. Property Issues will be dealt with by a council that live in the Resort Village who have a better understanding of the issues.
6. Control of the Permit process and formation of Bylaws that suit an urban setting.
7. Control of present and future finances and administration by the property owners of Pasqua Lake, not by property owners who do not live on Pasqua Lake.

## **SCHEDULE 1 - CERTIFICATE OF RM RECEIVING PETITION**

Attached are two documents regarding the Petition to Transition to a Resort Village:

- Statement of Representative of Petitioners  
The petition included 52 pages of which 2 pages were blank and the Petition was signed by 369 ratepayers of the Organized Hamlet of Pasqua Lake. The Petition signatures are included as a separate file due to the size of the file.
- Certificate of the Administrator of the RM of North Qu'Appelle No. 187 having received the Petition for establishment of the Resort Village of Pasqua Lake.

*Our mission is to maintain and enhance the economic, cultural and social wellbeing of our ratepayers*

## **SCHEDULE 1.1 - PROPOSAL OF PREPAREDNESS**

This document is a statement of the Organized Hamlet of Pasqua Lake Board and Resort Village Planning Committee research, findings and needs to provide ratepayers with an up-to-date responsible level of good government. For this document, the Organized Hamlet Board members and Resort Village Planning Committee will be referenced as the Planning Committee.

### **Background**

The Organized Hamlet of Pasqua Lake has been in existence since 1985 and has seen considerable renewal and growth over the past thirty-five years.

Through the RM of North Qu'Appelle No. 187, the Organized Hamlet has had agreements with the Sask. Water Sewage Lagoon, North Valley Waste Management Regional Landfill, and Fort Qu'Appelle Fire Department. These Agreements would be transferred to or rewritten for the Resort Village of Pasqua Lake.

Cost sharing of Policing, Library, hospital surcharge, STARS contributions, 911 dispatch and other governments services will be transferred to or rewritten for the Resort Village of Pasqua Lake.

The Planning Committee will ensure that the newly elected Resort Village Council is current and guided by The Municipalities Act and any other acts that provide the basic legislative framework for good, responsive, transparent and accountable governance. This will also help Council make responsible decisions about municipal services, establish policies and provide the Resort Village of Pasqua Lake PROPOSAL OF PREPAREDNESS direction for the operation of the Municipality in a manner which encourages a high level of ratepayers' participation in the governance process. The Municipalities Act also provides flexibility to respond to existing and future needs of residents in creative and innovative ways. Also, in this framework, Council can make decisions that are considered appropriate and in the best interest of residents. Council will develop a safe and viable community, foster economic, social and environmental well-being and at the same time provide wise stewardship of public assets under control at the local level.

### **Electoral Process**

This process will follow the rules of the Local Government Election Act as outlined in Part V Division 3 of the Municipalities Act. The Committee recommends that a Council consisting of a Mayor and Four Councilors be elected in accordance with Part V Division 2 of The Municipalities Act. The proposed Resort Village has a varying degree of expertise beneficial to the daily operations. Some examples are legal profession, chartered accounts, municipal administration, local government and people with municipal experience, with years of experience extending into the high thirties. Council members will be encouraged to attend courses offered for the newly elected so they will be current with provincial legislation, laws and codes. Municipal Office Research by the Committee has determined the office will be located in the Town of Fort Qu'Appelle. This will be accomplished in the immediate future by renting suitable office space. Office space will be sufficient for Council meetings and public attendance so that meetings will be conducted in an open and transparent manner.

### **Administration**

The Committee has been in contact with administrators with certification, however until the application is approved by the Ministry and an incorporation date established no further action in this manner is possible.

**Office Hours**

Our plans are to have the administration office open on a predetermined schedule, with an allowance made for vacation time and holidays.

**Web Site**

Council will create a web site with public information posted, providing a cost-effective channel to inform the public, which will help to create a high level of ratepayer's participation in future governance.

**Assessment**

The Resort Village will keep the tax roll current along with a pick-up ledger on all properties. This will be done in conjunction with current development and building permits and confirmed by SAMA each year.

**Tax Levy**

The tax levy will be authorized on all assessments by resolution and necessary bylaws in council. Board of Revision Council will appoint a board of revision. Operational and Capital budgets will be a top priority, adopted and in place at the start of each year. These budgets will be done prior to authorizing the tax levy. (These budget documents are in place and form part of this application as required on line 6 of the application and are identified as 'Schedule 4').

**Official Community Plan and Zoning Bylaw**

The Committee to establish a Resort Village will draft an Official Community Plan (OCP) and Zoning Bylaw as a starting point for discussion once the Resort Village has been established by the Minister of Government Relations. Council will be responsible to ensure the final OCP and PREPAREDNESS Zoning Bylaw are lawful and meet the needs of this resort area. It is recognized that the Minister requires that the OCP must be confirmed by a professional planner; however, this committee has prepared these drafts as a starting point for Council.

**Council's Responsibilities**

The following list will portray the research, tentative agreements and projected plans of which the Planning Committee will encourage the elected Council to adopt and follow. Council is legislatively responsible to ensure that:

- A municipal office is named in Saskatchewan. The Resort Village will be named 'Resort Village of Pasqua Lake' with a civic address in the Town of Fort Qu'Appelle. A post office box will be assigned.
- They appoint a certified administrator.
- They adopt an annual operating and capital budget.
- They appoint an auditor and undertake a financial audit.
- The results of the municipality's financial audit and the auditor's report will be submitted to the Minister prior to July 1 of each year. There are qualified people within the community who have expressed the availability of their services.
- All decisions are made by resolution or bylaw.
- They designate signing authority to the Administrator and Mayor with an alternative being one other council member.
- A fidelity bond is obtained annually for the administrator and any other employee as required.
- They obtain worker's compensation coverage for workers, employees and labour contracts.
- All meetings are conducted in public.
- A quorum is required at all meetings.

- A record retention schedule is established.
- Public notice is provided when a regular meeting date is changed. This will be accomplished with a notice posted in the Resort Village office and on the web site. A Public Notice Bylaw must be adopted and public notice provided prior to considering any of the following:
  - Any report to close, lease or sell a municipal street or road.
  - Any report to dispose of public land used for park purposes.
  - Any report to increase / decrease the number of councilors in the municipality.
  - Holding a public hearing and deciding a matter after a public hearing pursuant to this or any other Act.
  - Borrowing money, lending money or guaranteeing the repayment of a loan. • Establishing a purchasing policy.
  - Selling or leasing land for less than fair market value and without a public offering.
  - Setting remuneration for members of council and for members of council committees and other bodies established by Council.
  - Establishing a business improvement district.
  - Prohibiting or limiting the operation of a business or class of business.
  - Amending or repealing of referendum bylaws or resolution.
  - Holding a public meeting of the voters.
  - Any report with respect to special taxes.
  - Using any excess revenue generated from special taxes.

### **Streets, Roads and Snow Removal**

The streets and roads in the past few years are in the best condition that the ratepayers have seen. This maintenance plan was accomplished by using RM Staff and local contractors. Some of the services that are accomplished by this method are snow removal, grading, drainage, culvert replacement, landscaping, dust abatement, and any other maintenance necessary for the upkeep of a Resort Village. We would expect the Resort Village Council would continue with this process for the benefit of ratepayers.

### **Emergency Plan**

The Committee will recommend to Council that our Resort Village prepare an emergency plan and entertain co-operating with adjoining and nearby municipalities, resort communities, and first nations. Regarding fire fighting agreements, the Committee has been in contact with the local fire department at Fort Qu'Appelle and expects to negotiate a fire protection agreement with them.

## SCHEDULE 1.2 - ADJACENT MUNICIPALITIES SUPPORT

### Overview

Contacts and presentations have been made to adjacent resort communities and municipalities to advise them of our plan to establish a Resort Village and request their support for our endeavor. There were many positive responses and discussions throughout this campaign.

In March 2021 the following communities were contacted via their mayor and councilors:

- Town of Fort Qu'Appelle,
- Village of Fort San,
- Village of B Say Tah,
- RM of North Qu'Appelle and
- RM of Lipton.
- RM of South Qu'Appelle
- District of Katepwa

We had a couple of the above communities contact us to get more details on what was being proposed. There were no negative concerns developed from these discussions. There was also discussion with some of these communities to work together in the future with shared maintenance equipment and working together with contracted services such as garbage collection to get a better rate. One community also expressed interest in working together to have shared administration with the potential in the future to amalgamate the two villages.

We have included a letter entitled **Information Letter Re: Proposed Establishment of The Resort Village of Pasqua Lake**, which was submitted to each of the previously mentioned communities. There were no negative responses from this letter.

**Subject: Information Letter Re: Proposed Establishment of  
The Resort Village of Pasqua Lake**

### Our goal:

Our goal is to take the Organized Hamlet of Pasqua Lake with its existing boundaries and incorporate it as a Resort Village. We plan to name the Resort Village; **The Resort Village of Pasqua Lake**.

Our mission is to inform you first hand of our plan, to answer any questions and therefore avoid any misconceptions.

Our goal is to build a strong working relationship with the R.M. of North Qu'Appelle No. 187 and the other Resort Villages and lakeshore hamlets that will serve to protect the environment, ecosystem and natural state of Pasqua Lake.

The formation of a Resort Village has been on the table for a number of years. With approximately \$110 million in taxable assessment and a majority of the ratepayers signing a petition in favour of incorporation of a Resort Village, the plan has now been set in motion.

**Our reasons are:**

- There is a need for representation at the local level.
- There is a need to have an Official Community Plan, zoning and other bylaws that support the approval of the ratepayers and are complementary to the lake setting.
- There is a need and the time has come to assume our own identity and be governed by elected people who share a common interest.
- There is a need to control and funnel our resources in a direction which will contribute to the sustainable future of Pasqua Lake and its shore lands.
- There is a need to allow a Resort Village Council to plan development that is complementary and futuristic to the lake setting around Pasqua Lake.
- There is a need to have control over taxation and infrastructure development that is suited to a Resort Village municipal structure.

**Community Cooperation on Emergency Preparedness and Reciprocal Agreements:**

- Firefighting reciprocal agreement.
- Emergency preparedness cooperation.
- Reciprocal agreement on sewage lagoon sharing for emergency purposes and/or maintenance requirements.
- Reciprocal agreement for joint use of the existing landfill

**In closing:**

We are asking that you support our plan to form The Resort Village of Pasqua Lake, granting us authority by the way of an elected council, allowing us to participate in building with you a long-standing working relationship for the betterment of Pasqua Lake and surrounding area.

Should you agree with our mission, we would ask that you respond to this letter confirming that you support our plan to establish a Resort Village by May 1, 2021 if possible so we can proceed with our application.

Yours Truly,

The Planning Committee to Establish a Resort Village,

## SCHEDULE 2 - MAPS AND LEGAL DESCRIPTION

### Legal Description

The original legal description of the Organized Hamlet of Pasqua Lake at its inception in 1985 is attached as well as a map showing the section, township. And range of the properties involved.

PROVINCE OF SASKATCHEWAN

DEPARTMENT OF RURAL DEVELOPMENT

O R D E R

Organized Hamlet of Pasqua Lake

Under the authority conferred upon the Minister of Rural Development by Section 20 of The Rural Municipality Act;

IT IS HEREBY ORDERED THAT the portions of the North half of Section Twenty (20); the North East quarter and West half of Section Nineteen (19), and the South East quarter of Section Twenty-nine (29), in Township Twenty-one (21), in Range Fourteen (14), the South half of Section Twenty-four (24), the North East quarter and the West half of Section Fourteen (14), the North East quarter and the South half of Section Fifteen (15), the South East quarter of Section Sixteen (16) in Township Twenty-one (21), in Range Fifteen (15), all West of the Second Meridian, as outlined in red on the white print hereto attached and forming part of this Order, is hereby declared to be the Organized Hamlet of Pasqua Lake.

The effective date of this Order shall be November 1, 1985.

Dated this *21<sup>st</sup>* day of October, 1985.

D. V. Gillewich  
Deputy Minister of Rural Development

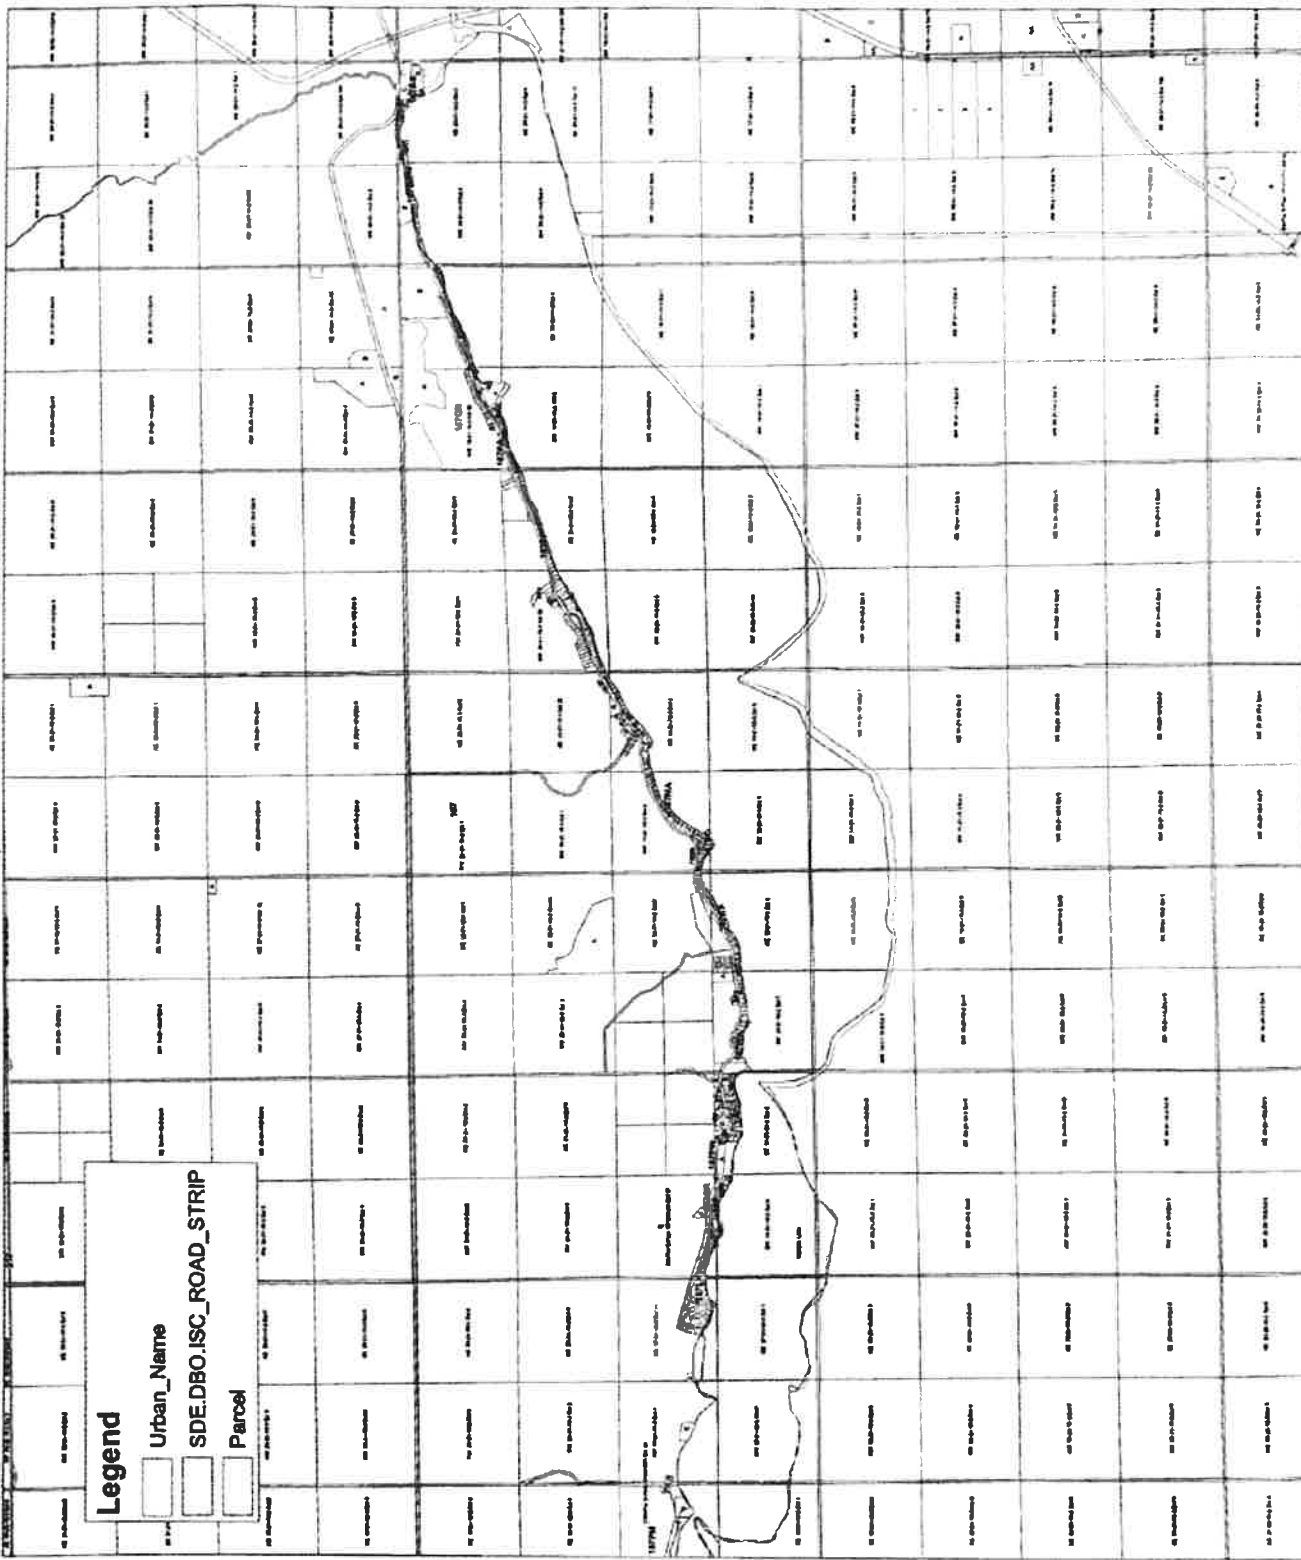

## Maps

Maps showing the distribution of lots in the following areas of the Hamlet  
In 2013 are attached:

Bence Beach  
Bramberger Beach  
Qu'Appelle Beach  
Spanier Beach  
Pasqua  
Maple View  
Bolingbroke  
Wambach  
Pasqua West

These names were used in legal descriptions of properties within the Hamlet but have been abandoned to simplify property locations for fire, police, ambulance, and other services. There are a number of lots on the north side of Pasqua Lake Road that are not shown on these maps. They are currently within the boundaries of the RM of North Qu'Appelle, but which border on the Hamlet. These lots require entry from Pasqua Lake Road and could potentially become part of the Resort Village.

A map is included that shows the location of the Hamlet on Pasqua:

## **SCHEDULE 3 – GROWTH AND DEVELOPMENT PLANS**

### **Overview**

With the adoption and implementation of an Official Community Plan and Zoning Bylaw, developed with the inclusion of ratepayer's input, the Resort Village Council objectives will be **to enhance and encourage growth complimentary to a resort setting and at the same time protect and preserve the natural state of the environment.**

### **Background Information**

The Organized Hamlet of Pasqua Lake is located on the north shores of Pasqua Lake, which is a 45-minute drive from Regina. The Hamlet has 446 lots within its current boundaries including 335 improved properties according to the 2021 Assessment Roll. The Hamlet came into being in 1985 and has worked very closely with the RM of North Qu'Appelle #187 to become a very desirable location for residents to own lake property or to visit on a recreational basis for fishing, boating and other outdoor activities. The southern shore line of Pasqua Lake is First Nations land and there is no developed residential property located on that side of the lake. For the residents of the Organized Hamlet, this provides a scene of tranquility as they look across the lake.

### **Factors for Potential Growth & Development**

- ✓ There are still 111 undeveloped lots within the Hamlet that have potential for improvements and increased taxable assessment.
- ✓ Of the 335 developments there are a number of "summer cabins" still in existence. In recent years a large number of permits have been taken out to make renovations or to tear-down and build new dwellings. In 2019, a total of 21 development and 14 building permits (4 new homes) were taken out in the OHPL. In 2020, a total of 12 development and 9 building permits (1 new home) were taken out. In 2021, the total is currently 5 development and 4 building permits (2 of which were for new homes). It should also be noted that a number of these new dwellings are becoming permanent residences as owners retire to the lake.
- ✓ There are a number of undeveloped lots on the north side of Pasqua Lake Road that are currently within the boundaries of the RM of North Qu'Appelle, but which border on the Hamlet. These lots require entry from the paved road which could potentially become part of the Resort Village.
- ✓ There are opportunities to join or have shared agreements with the neighboring Resort Villages of Fort San and B-Say-Tah. The Hamlet has currently held shared services discussions with the Resort Village of Fort San, as they are in a state of transition for their administrative services.

- ✓ Travel access for the Hamlet is currently through Pasqua Lake Road which is 10.4 km of paved road. This road also provides the only access for the communities of Groome's Vista and Lakes End, which also border the north side of Pasqua Lake. They encompass a total of 84 properties; 43 of which are still undeveloped. These two subdivisions are currently governed by the RM of North Qu'Appelle and pay property taxes at the RM mill rate level, which is currently almost twice the amount of the Hamlet of Pasqua Lake taxes. In future years, there could be an opportunity for the three groups to come together and work as one governing body.
- ✓ Over the past few years, a great deal of development has occurred in Groome's Vista & Lakes End). In 2019, a total of 7 development and 6 building permits (3 new homes) were taken out in Groome's Vista and Lakes End. In 2020, a total of 7 development and 7 building permits (3 new homes) were taken. In 2021, the total is currently 2 development and 0 building permits for new homes. Refer to map that shows the boundaries for the OHPL, GV and LE
- ✓ Housing sales, especially in 2021, have been strong as more and more new residents desire the amenities of a strong Hamlet that has a solid reputation for quality services such as garbage collection, snow removal, school bus transportation, high speed internet, etc.
- ✓ The 2020 taxable assessment for the Organized Hamlet of Pasqua Lake was \$109,643,685. With the potential of future growth and development, the Resort Village of Pasqua Lake would be very near the top of the list of the largest Resort Villages in the Province of Saskatchewan.

## SCHEDULE 4: OPERATIONAL AND CAPITAL BUDGETS

The Proposed Operational five year Budget for years 2022-2026 for the Resort Village of Pasqua Lake is attached which also includes 2019 and 2020 actuals and 2021 budget for the Organized Hamlet of Pasqua Lake. Major maintenance numbers have been included in the five year Operational Budget to maintain Pasqua Lake Road and the two Boat launches owned by the Resort Village at incorporation. Upon completion of a community plan, there may be a need to develop a Capital Budget if additional facilities are desired in the community.

## **SCHEDULE 5 - RM COUNCIL RESOLUTION**

A letter dated April 9, 2021 to the Village Planning Committee and the Board members of the Organized Hamlet of Pasqua Lake from the RM Administrator stated the "RM Council, at this time, respectfully declines to provide a decision for or against the proposal. Council elects to wait and make an informed decision with consultation of citizens and presentation of operating and capital budgets and proposals for sustainability to ensure the transition to a resort village is in the best interest of all parties".

## **SCHEDULE 6 - PUBLIC NOTICES**

The public notice for a Public Meeting on August 20, 2021 regarding the Petition and Application to transition the Organized Hamlet of Pasqua Lake to The Resort Village of Pasqua Lake is planned for Late July 2021 or early August 2021. The Village Planning Committee will provide the Application to the Administrator of the Rm prior to the notice being published.

A date of August 14, 2021 has been scheduled for the Annual General Meeting of the OHPL at which time all financial and conceptual information will be unveiled to the ratepayers of the OHPL. A formal resolution on the petition and Planning committee activities will be presented at the meeting.

A mailing to this affect will be distributed by the RM and will be mailed during the last week of July 2021.

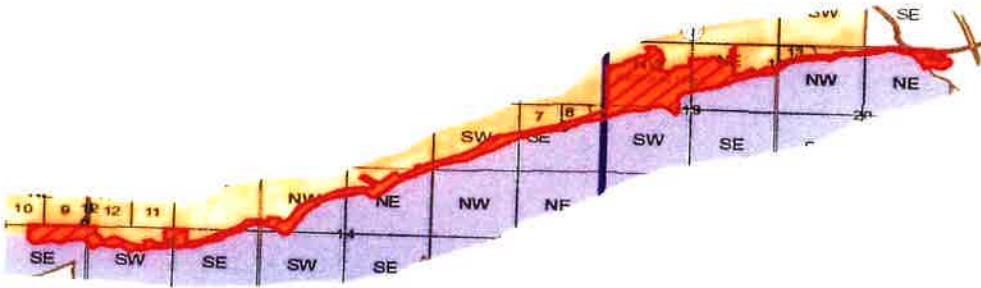

## NOTICE TO THE PUBLIC

## RURAL MUNICIPALITY OF NORTH QU'APPELLE NO. 187

Pursuant to *The Municipalities Act*, public notice is hereby given that the Organized Hamlet of Pasqua Lake intends to restructure to become a Resort Village.

The Organized Hamlet of Pasqua Lake is located within Rural Municipality of North Qu'Appelle No. 187 within the North half Section 20, and North-East quarter and West half Section 19, Township 21, Range 14, West of the 2<sup>nd</sup> Meridian, and South half Section 24, North-East quarter and West half Section 14, North-East quarter and South half Section 15, South-East quarter section 16, Township 21, Range 15, West of the 2<sup>nd</sup> Meridian.

A map of the Organized Hamlet area is outlined below:

The reasons for the proposal are:

- There is a need for representation at the local level.
- There is a need to have an Official Community Plan, zoning and other bylaws that support the approval of the ratepayers and are complementary to the lake setting.
- There is a need and the time has come to assume our own identity and be governed by elected people who share a common interest.
- There is a need to control and funnel our resources in a direction which will contribute to the sustainable future of Pasqua Lake and its shore lands.
- There is a need to allow a Resort Village Council to plan development that is complementary and futuristic to the lake setting around Pasqua Lake.
- There is a need to have control over taxation and infrastructure development that is suited to a Resort Village municipal structure.

**A public meeting will be held on Friday August 20<sup>th</sup>, 2021 at 2:30p.m.** at the Fort Qu'Appelle Legion Hall, located at 197 Company Avenue S, Fort Qu'Appelle, SK. to discuss the proposal.

Any persons who wish to object to the proposed restructuring may file a written objection, stating clearly their reason for their opposition, with the Chief Administrative Officer of the Rural Municipality of North Qu'Appelle No. 187 at the address below:

136 Company Ave. S.

A written notice of objection must be received by the Chief Administrative Officer by Monday September 13, 2021. The complete proposal may be viewed at the Rural Municipality of North Qu'Appelle No. 187 office located at 136 Company Avenue South, Fort Qu'Appelle, SK. between the hours of 9:00 a.m. and 4:00 p.m. from Monday to Friday, excluding statutory holidays. The proposal can also be viewed on the Municipality's website at <https://rmnorthquappelle.ca>. Printed copies are available with one (1) business day notice at a cost of \$30.00.

Dated at the Town of Fort Qu'Appelle, Saskatchewan, this 4<sup>th</sup> day of August, 2021

Dawn Lugrin, RMA

Chief Administrative Officer

Rural Municipality of North Qu'Appelle No. 187

## **SCHEDULE 6.1 - PETITION FOR IMPACT**

The attached Petition was completed in late August and early September 2020. Personal visits by members of the Investigation Committee and other volunteers were made to the lake homes of the Ratepayers of the Organized Hamlet of Pasqua Lake to discuss the potential transition to a Resort Village and if in favour of the Petition, have the Petition forms signed. An overwhelming support from the ratepayers was received with 369 ratepayers signing the petition to transition to a Resort Village. The signatories to the petition are included on a separate file named "Resort Village of Pasqua Lake Petition Signatures"
