

Dust Control Request Form – 2025

Dust control on R.M. gravel roads will be in the form of an application of **Magnesium Chloride**. This material will be applied on the roadway adjacent to a yard site or residence **upon written request by the landowner**.

If you would like dust control application this year, kindly return this completed Request Form to the RM office no later than May 8, 2025.

Conditions

- Normal practice is to apply a length of **200 meters** adjacent to the yard site. This distance may vary depending on the landowner's request.
 - If **dust control has been applied within the last 3 years**, the RM of North Qu'Appelle **will not invoice** the landowner for the cost of material/application **for 200 meters**.
 - If the landowner **wishes additional dust control**, a fee of **\$100.00 per 200 meters** will be charged.
 - If **dust control has not been applied within the last 3 years**, the RM of North Qu'Appelle will **invoice a charge of \$100.00 per each 200 meters**.
